

FT-370 LED

Rear light

The most awaited on the automotive market, fully LED 7-functional rear lamp – **FT-370 LED** with triangular reflector.

All possible functions have been combined into one product: **position, STOP, indicator, fog, reversing, triangular reflector, side license plate light (optional).**

The **FT-370 LED** series is available in 3 variants:

- with 1 m cable
- with a 6 PIN Bayonet connector (12-36V)
- with a 6 PIN Bayonet connector (12V) + CANBUS system

The version of the lamp **FT-370 LED O BAJONET 6 PIN** is equipped with an electronic light load module - the **CANBUS system** – enabling trouble-free connection of the product to any vehicle. This module loads not only the indicator light, but also each light function individually.

Due to the fact that the lamp operates with the CANBUS system, it will certainly meet the expectations of even the most demanding users.

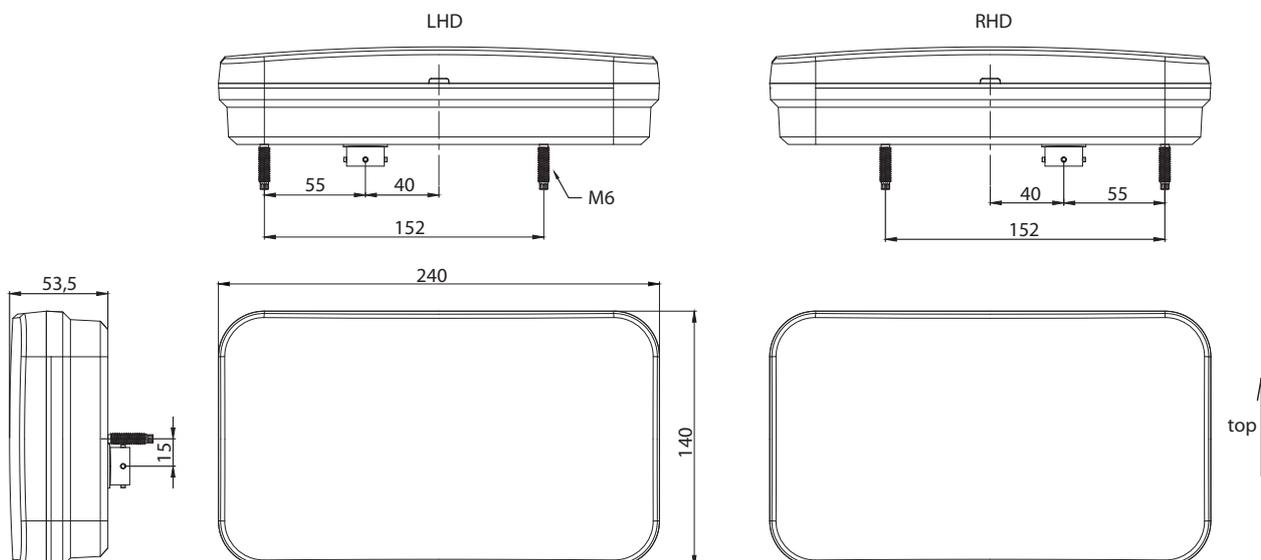

Due to the wide range of **12-36 V** supply voltage, **FT-370 LED** series can be used in all types of trailers, semi-trailers, agricultural and construction machinery and equipment, as well as in all vehicles that must be equipped with the necessary triangular reflector.

The product holds the **E9** European homologation and the certificate of electromagnetic compatibility – **EMC**.

It is resistant to shocks and harsh weather conditions.

The strong construction, confirmed by the **IP 68** certificate, guarantees complete tightness to dust and a high class water resistance – this applies to both the version with cable and with 6PIN Bayonet connector.

NO MORE DASHBOARD ERRORS WHEN CONNECTING A TRAILER TO THE LED REAR LAMPS !!!!

ALL FUNCTIOS IN ONE LAMP

FT-370 LED

WITH LED SYSTEM CONTROL

FT-370 L NT LED	Universal rear lamp LED 12-36V, left with reflective triangle, 6-functional STOP / POSITION / INDICATOR / FOG / REVERSE, without number plate light., 1 m cable.
FT-370 P NT LED	Universal rear lamp LED 12-36V, right with reflective triangle, 6-functional STOP / POSITION / INDICATOR / FOG / REVERSE, without number plate light., 1 m cable.
FT-370 L NT LED BAJONET 6PIN	Universal rear lamp LED 12-36V, left with reflective triangle, 6-functional STOP / POSITION / INDICATOR / FOG / REVERSE, without number plate light., 6 PIN Bayonet connector.
FT-370 P NT LED BAJONET 6PIN	Universal rear lamp LED 12-36V, right with reflective triangle, 6-functional STOP / POSITION / INDICATOR / FOG / REVERSE, without number plate light., 6 PIN Bayonet connector.
FT-370 L TB LED	Universal rear lamp LED 12-36V, left with reflective triangle, 7-functional STOP / POSITION / INDICATOR / FOG / REVERSE, with number plate light., 1 m cable.
FT-370 P TB LED	Universal rear lamp LED 12-36V, right with reflective triangle, 7-functional STOP / POSITION / INDICATOR / FOG / REVERSE, with number plate light., 1 m cable.
FT-370 L TB LED BAJONET 6PIN	Universal rear lamp LED 12-36V, left with reflective triangle, 7-functional STOP / POSITION / INDICATOR / FOG / REVERSE, with number plate light., 6 PIN Bayonet connector.
FT-370 P TB LED BAJONET 6PIN	Universal rear lamp LED 12-36V, right with reflective triangle, 7-functional STOP / POSITION / INDICATOR / FOG / REVERSE, with number plate light., 6 PIN Bayonet connector.
FT-370 L NT LED O BAJONET 6PIN 12V	Universal rear lamp LED 12V, left with reflective triangle, 6-functional, STOP/ POSITION/ INDICATOR/ FOG / REVERSE, without number plate light, p PIN Bayonet connector, with LED control system.
FT-370 P NT LED O BAJONET 6PIN 12V	Universal rear lamp LED 12V, right with reflective triangle, 6-functional, STOP/ POSITION/ INDICATOR/ FOG / REVERSE, without number plate light, p PIN Bayonet connector, with LED control system.
FT-370 L TB LED O BAJONET 6PIN 12V	Universal rear lamp LED 12V, left with reflective triangle, 7-functional, STOP/ POSITION/ INDICATOR/ FOG / REVERSE, with number plate light, p PIN Bayonet connector, with LED control system.
FT-370 P TB LED O BAJONET 6PIN 12V	Universal rear lamp LED 12V, right with reflective triangle, 7-functional, STOP/ POSITION/ INDICATOR/ FOG / REVERSE, with number plate light, p PIN Bayonet connector, with LED control system.
