

POLARIS

FULL LED SPOT LAMP

PART NO.: 1001-1630

boreman
www.boremanltd.com

Product Features:

- Driving Lamp - with Amber and Clear Position Light
- Driving Beam and Position Light for multi-function use
- LED Quantity - Driving Beam - 10pcs - 55W
- LED Quantity - Position Light - Amber - 80pcs - 3W
- LED Quantity - Position Light - Clear - 80pcs - 3W
- Voltage: 10-30V
- Lumens: 2,200lm
- Current Draw: 4.53amps@12V & 2.3amps@24V
- Housing Material: Die Cast Aluminium
- Mounting Bracket Material: Stainless Steel
- Working Temperature Range: -40°C ~+60°C
- Lens Material: Polycarbonate
- UV Resistant and Scratch Resistant
- RoHS Compliant
- IP Rating: IP69K
- Connector: Wire Connector
- Weight: 1.41kg
- Life Span: 30,000+ hours
- 2 Year Warranty
