Ⓔ The product is a full-LED headlight without an exchangeable light source, which can be used to replace the halogen headlights in Golf 7 motor vehicles. Other areas of application are not permitted. Do not open product. For questions regarding maintenance or technical problems, please contact OSRAM customer service at +49 89/6213-3322 or automotive-service@osram.com (Telephone customer service in German and English).

*Product replacement for product fault when used in non-commercial applications.

**Changing your headlamps requires the resetting of the beam alignment by a qualified workshop.

Ⓓ Das Produkt ist ein Vollscheinwerfer zur Verwendung an Golf 7 Kraftfahrzeugen mit Halogenscheinwerfern, der über keine austauschbare Lichtquelle verfügt. Andere Anwendungsfälle sind nicht zugelassen. Produkt nicht öffnen. Bei Fragen bzgl. Wartung oder technischen Problemen wenden Sie sich bitte an den OSRAM Kundendienst +49 89/6213-3322 oder automotive-service@osram.com (Telefonischer Kundendienst in deutsch und englisch).

*Produktersatz für Produktfehler bei nicht gewerblichem Gebrauch.

**Der Austausch Ihrer Scheinwerfer erfordert die Strahlungsrichtung durch eine qualifizierte Werkstatt.

Ⓕ Ce produit est un phare « Full LED » sans sources lumineuses remplaçables, qui peut être utilisé à la place des phares halogènes des véhicules de type Golf 7. Ne pas utiliser le produit pour d'autres applications. Ne pas ouvrir le produit. Pour toute question relative à l'entretien du produit ou tout problème technique, veuillez contacter le service clients OSRAM au +49 89/6213-3322 ou écrire à automotive-service@osram.com (Assistance clientèle par téléphone en allemand et en anglais).

*Remplacement de produit défectueux utilisé à des fins non commerciales.

**Le changement de vos phares nécessite la réinitialisation de l'alignement des faisceaux dans un atelier spécialisé.

Ⓘ Il prodotto è un faro full-LED privo di una sorgente luminosa intercambiabile, adatto a sostituire i fari alogeni negli autoveicoli del modello Golf 7. Non sono permesse altre aree di applicazione. Non aprire il prodotto. Per domande sulla manutenzione o problemi tecnici contattare il servizio clienti OSRAM al numero +49 89/6213-3322 o all'indirizzo automotive-service@osram.com (Servizio clienti telefonico in tedesco e inglese).

*Sostituzione del prodotto difettoso in caso di utilizzo non professionale.

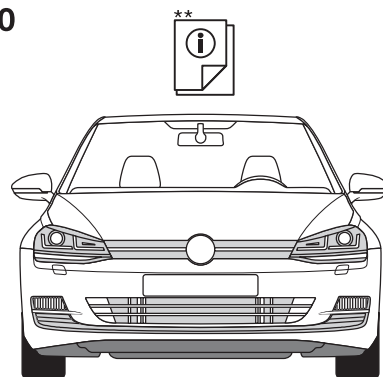

**Cambiare i fari richiede la reimpostazione dell'allineamento del raggio da parte di un'officina qualificata.

Ⓔ Faro LED integral apto para vehículos Golf 7 con faros halógenos sin fuente de luz intercambiable. No se permite su aplicación en otros campos. No lo abra. Si tuviera algún problema técnico o alguna consulta sobre el mantenimiento póngase en contacto con el servicio de atención al cliente OSRAM +49 89/6213-3322 o automotive-service@osram.com (Servicio telefónico de atención al cliente en alemán e inglés).

*Sustitución del producto defectuoso en caso de uso no comercial.

**Al cambiar los faros, se debe reajustar la alineación del haz en un taller cualificado.

Ⓔ Este é um farol LED integral destinado à utilização em veículos do modelo Golf 7 com faróis de halógeno - sem fonte de luz intercambiável. Não são permitidas outras áreas de aplicação. Não abra o produto. Em caso de questões relacionadas com a manutenção ou problemas técnicos, entre em contacto com a assistência técnica OSRAM, tel. +49 89/6213-3322 ou automotive-service@osram.com (Serviço de atendimento telefónico em alemão e inglês).

*Substituição para produto com falha quando usado em aplicações não comerciais.

**A mudança de faróis requer a reposição do alinhamento do feixe por uma oficina qualificada.

Ⓔ Το προϊόν είναι ένας προβολέας πλήρους LED χωρίς ανταλλάξιμη πηγή φωτός, το οποίο μπορεί να χρησιμοποιηθεί για την αντικατάσταση των προβολέων αλογόνου στα οχήματα Golf 7. Δεν επιτρέπονται άλλοι τομείς εφαρμογής. Μην ανοίγετε το προϊόν. Για ερωτήσεις σχετικά με τη συντήρηση και για τεχνικά προβλήματα, επικοινωνήστε με την εξυπηρέτηση πελατών της OSRAM στο τηλέφωνο +49 89/6213-3322 ή στη διεύθυνση automotive-service@osram.com (Τηλεφωνική εξυπηρέτηση πελατών στα γερμανικά και αγγλικά).

*Ανταλλακτικό για χρήση σε περίπτωση βλάβης από μη εμπορική χρήση.

**Εάν σκοπεύετε να αλλάξετε τον προβολέα, θα πρέπει να γίνει επαναφορά της ευθυγράμμισης της ακτίνας από εξειδικευμένο τεχνικό.

Ⓖ Dit product is een full-LED koplamp zonder vervangbare lichtbron dat gebruikt kan worden om halogeen koplampen in Golf 7-personenauto's te vervangen. Het is niet toegestaan het product op een andere manier te gebruiken. Open het product niet. Voor vragen over onderhoud of technische problemen, kunt u contact opnemen met de klantenservice van OSRAM op +49 89/6213-3322 of via automotive-service@osram.com (Telefonische klantenservice in Duits en Engels).

*Vervanging van product vanwege defect bij product bij niet-industrieel gebruik.

**Nadat de koplampen vervangen zijn, moet de uitlijning van de lichtbundel door een gekwalificeerde werkplaats opnieuw afgesteld worden.

Ⓔ Den här produkten är en full LED-strålkastare utan utbytbar ljuskälla som kan ersätta halogenstrålkastare i Golf 7-motorfordon. Den får inte användas i något annat syfte. Öppna inte produkten. Om du har frågor om underhåll eller tekniska problem kontakta du OSRAM:s kundtjänst på +49 89/6213-3322 eller automotive-service@osram.com (Kundservice per telefon på tyska och engelska).

*Ersättningsvara för felaktig produkt vid icke-kommersiell användning.

**Vid byte av strålkastare måste strålens riktning ställas in på nytt på en kvalificerad verkstad.

Ⓔ Tuote on LED-ajovalo ilman vaihdettavaa valonlähdettä. Sillä voidaan korvata Golf 7 -moottoriajoneuvojen halogeeniajavalot. Muut käyttötavat eivät ole sallittuja. Älä avaa tuotetta. Kunnossapitoa tai teknisiä ongelmia koskevat kysymykset voi osoittaa OSRAM-asiakaspalveluun, jonka numero on +49 89 6213 3322 ja osoite on automotive-service@osram.com (Asiakaspalvelu puhelimella saksaksi ja englanniksi).

*Tuotteen korvaus tuotevirheiden esiintyessä ei-kaupallisessa käytössä.

**Ajalojen vaihtaminen edellyttää, että ammattitaitoinen korjaamo suuntaa valot uudelleen.
